

Base-Ten Picture Recording Sheet

Name: _____

I made a _____
(name animal, plant or shape)

My design was built with _____ base hundred blocks
_____ base ten blocks
and _____ base one blocks.

The sum of my number is _____ digits.

Here is my number in expanded form.

(hundreds + tens + ones)

I can represent and show numbers using different models, pictures, or number sentences.

My work shows I understand the value of each digit in my number.

What is the difference between place and value?
